

*...providing sheltered employment for people with DIFFERENT abilities.*

## *John Irvin's 99th Birthday* **plus The Summer HOT DOG BLAST**

On July 8th the annual SUMMER HOT DOG BLAST and a celebration of the 99th birthday of John Irvin were held at the main office building of Hope Haven Industries. Those in attendance were John Irvin; Marvin & Charlotte Alexander; Brian Alexander; Directors Bill Everett, Ed Robertson, & Father Bill Bellais; the employees; and staff.

The attendees were treated to a luncheon menu of hot dogs, chips, baked beans, lettuce salad, veggie tray, fruit tray, and **the birthday cake**. The cake was provided by Marvin & Charlotte Alexander.

After lunch, the guests, including John Irvin, Marvin & Charlotte Alexander, and Brian Alexander along with the Hope Haven employees, staff, and directors celebrated John Irvin's 99th birthday. All in attendance joined in singing "Happy Birthday" to John.

A plaque was presented to Mr. Irvin that will be displayed at Hope Haven's main building at 304 Clay Street. Engraved on the plaque was "LIFETIME SERVICE, In Honor of John and Virgie Irvin, in grateful appreciation for years of service and dedication to the success of Hope Haven Industries, Inc., July 8, 2010". John Irvin replied "*not a day goes by that I don't think of everyone here at Hope Haven.*"

***WISHING JOHN IRVIN a WONDERFUL "99th" BIRTHDAY  
from EVERYONE at HOPE HAVEN INDUSTRIES!***

## HEALTH TIP: COOL TIPS FOR HOT WEATHER

Please keep these helpful tips on staying cool and healthy in mind when it's **HOT** outside:

- ◆ If your home doesn't have air conditioning, go to a public building every day for several hours.
- ◆ Drink plenty of water and iced beverages. Avoid alcohol or caffeinated beverages.
- ◆ If you are using a fan instead of air conditioning, open windows on the shady side of your home and use the fan for ventilation.
- ◆ Dress in loose-fitting, light-weight and light-colored natural fiber clothing.
- ◆ Eat light, easily digested foods.
- ◆ Bathe or shower frequently with cool water.
- ◆ Limit activity during the hottest time of day.
