lap?**

## CHRISTMAS AT HOPE HAVEN . . .

Hope Haven Industries celebrated the Christmas season on Friday evening, **December 4th**, at the American Legion Post 25 building with 125 persons in attendance.

Bill Everett, Hope Haven Board President, welcomed the guests. The welcome was followed by a prayer lead by Father Bill Bellais, a Hope Haven Director.

A delicious meal was catered by Hy-Vee Food Store with the desserts provided by the Delta Lambda Chapter of Beta Sigma Phi.

A slideshow, "2009 In Review", was presented featuring Hope Haven's employees and staff at work and at events throughout the year. The slideshow concluded with thanks to the employees and staff for their hard work the past year and to the Board of Directors for their dedicated service to Hope Haven.

Carole Hobbs, Hope Haven Manager, presented the 2009 Years of Service pins to: 25 Years—David Wood; 10 Years—Paul Goodman; 5 Years—Roy Butcher.

Manager Hobbs then presented Perfect Attendance awards for 2009 to Lori Baldwin and Bill Jenkins.

Calvary's Grace sang several Christmas carols prior to the arrival of Santa Claus. Santa distributed presents to the employees, staff, and children in attendance.

On December 23, the Employee Christmas Party was held at noon at the main building at 304 Clay Street in Chillicothe. All in attendance were treated to chili, hot dogs, and veggies. Presents were distributed to the employees.

*Wishing you a prosperous New Year from everyone at Hope Haven Industries, Inc!*

**CONGRATULATIONS**

## HEALTH TIP: WINTER SKIN CARE

*The cold, wintry winds lead to dry, chapped skin. Here are some simple winter skin care tips that can help you prevent and treat dry, chapped skin:*

1. Shorten those showers. Long, steamy showers may sooth sore muscles, but they're also good at dehydrating skin. Hot water removes the skin's natural oil more quickly than warm or cold water. Take shorter showers and baths, and use warm water instead of hot.
2. Use mild soaps. Your favorite antibacterial or deodorant soap may be stripping your skin of essential oils. Stick with unscented or lightly scented soaps.
3. Moisturize. You don't need expensive department store lotions. Petroleum jelly or mineral oil can help keep moisture in your skin. Drink plenty of water to keep your body hydrated.
4. Use sunscreen. Protect your skin even in winter. Use sunscreen with an SPF rating of at least 15 with UVA and UVB protection.
5. Soothe chapped lips. Lips don't have oil glands, so they can dry out easily. Use lip balm and avoid licking your lips. On very cold days cover your mouth with a scarf.
